Authority: T.C.A. § 4-3-1703, T.C.A. § 8-30-104, T.C.A. § 8-50-102	Rule: Chapter 1120-04

Certified Administrative Professional Examination and Eligibility for Automatic Salary Increase

Tenn. Code Ann. §8-50-102 states: Any administrative assistant or administrative professional or any employee performing closely related administrative support duties of the state who successfully passes the certified administrative professional examination sponsored by the International Association of Administrative Professionals shall be granted an automatic ten (10) percent salary increase under the state's basic compensation plan."

Any automatic pay increase pursuant to this section shall take effect the first day of the defined work week after the department receives a copy of the certification. The automatic pay increase provided for in this section shall not affect any employee's eligibility for any regular merit increase.

An employee, who is otherwise eligible for a salary increase under this provision, will be allowed to receive only one salary increase for passage of any of these exams.

Most of the job classifications in the "Clerical, Administrative and Sub-professional Fiscal Branch" of the occupational compensation plan fit this definition and should, therefore, be covered by this required pay increase. These classes are identified in Edison and NeoGov by a six (6) digit class code beginning with "00." A list of job classifications in this occupational branch not fitting this definition is found in enclosure (1) of this policy.

Employees in these classes perform duties which are not predominantly clerical-secretarial or clerical-managerial in nature and should not, therefore, be eligible for the CPS automatic salary increase.

The Department of Human Resources shall determine the eligibility of employees in job classifications outside the "Clerical, Administrative and Sub-professional Fiscal Branch" based on assigned job duties and responsibilities.

Questions regarding this policy may be directed to the Agency Resource Center (ARC).
